I am requesting the use of the following Association cabins #29, #121, #177, and the old nurse’s cabin, these cabins house our youth ministers and musicians.

In my report to the Executive Committee in 2022, our requests for next year were:

-Repair leaking faucet in Mabel Bloys.

-Clean bathrooms in all youth facilities and stock with paper goods.

-Clean Youth Cabins (Cabins have not been cleaned well in the past!)

After serving as Youth Coordinator since 2014, I have asked Sarah Cotton Nelson to shadow me this year, in preparation for her to take over as the Youth Coordinator in 2024. Sarah currently serves on the Youth Committee from the Burnett Camp. It has been an honor to serve in this capacity, following many great Youth Coordinators. Thank you for always supporting our Youth!

Respectfully submitted,

Ann Driver,

on behalf of the Youth Advisory Committee
